

**APPLICATION FILE**  
**UNIVERSITY HOSPITAL FEDERATION (FHU)**  
**CALL FOR PROJECTS 2019**

Instructions : Arial font 10, single space

**I. General information**

**Title of the project :**

**Acronym** (max. 15 characters): .....

**Keywords** (max 5 keywords): .....

**Did you apply to one of the 2011 or 2012 DHU call for projects?**       Yes       No

**If YES, specify the previous submission date:** .....

**Did you participate in a previous DHU?**       Yes       No

**If YES, date of labelling and title of the DHU:** .....

**Project Coordinator**

**Title:** .....

**Civility:**       Ms       M

**Name:** .....

**First name:** .....

**Address:** .....

**City:** .....

**Hospital:** .....

**Email:** .....

**Telephone:** .....

**Speciality:** .....

**Role of the project leader in national or international scientific or academic evaluation bodies (e.g. such as CNU, Commissions INSERM, CME, Conseil Scientifique, CRMBSP, Scientific societies, Guideline committees etc)...**

**Short CV of the FHU leader:** to be attached as a pdf file

**Main publications from the project leaders pertaining to the proposed FHU (5 max)**

**Research area:**

*Specify the medical theme*

**FHU organization chart:** to be transmitted as an attached pdf file

**Institution responsible for the budget management:**

**Partner teams (add an additional document if the number of line is not sufficient)**

Team(s)	Team name	Responsible	Number of people involved	Establishment*	Location

\*: hospital, University, EPST, Grande école, Industry, ...

**II. Summary of the research project (Max 3500 characters including spaces)**

**5 publications (max) related to the research project (not necessarily by members of the proposed FHU)**

--

**Objective of clinical and translational research, added value of the FHU (Max 1400 characters including spaces)**

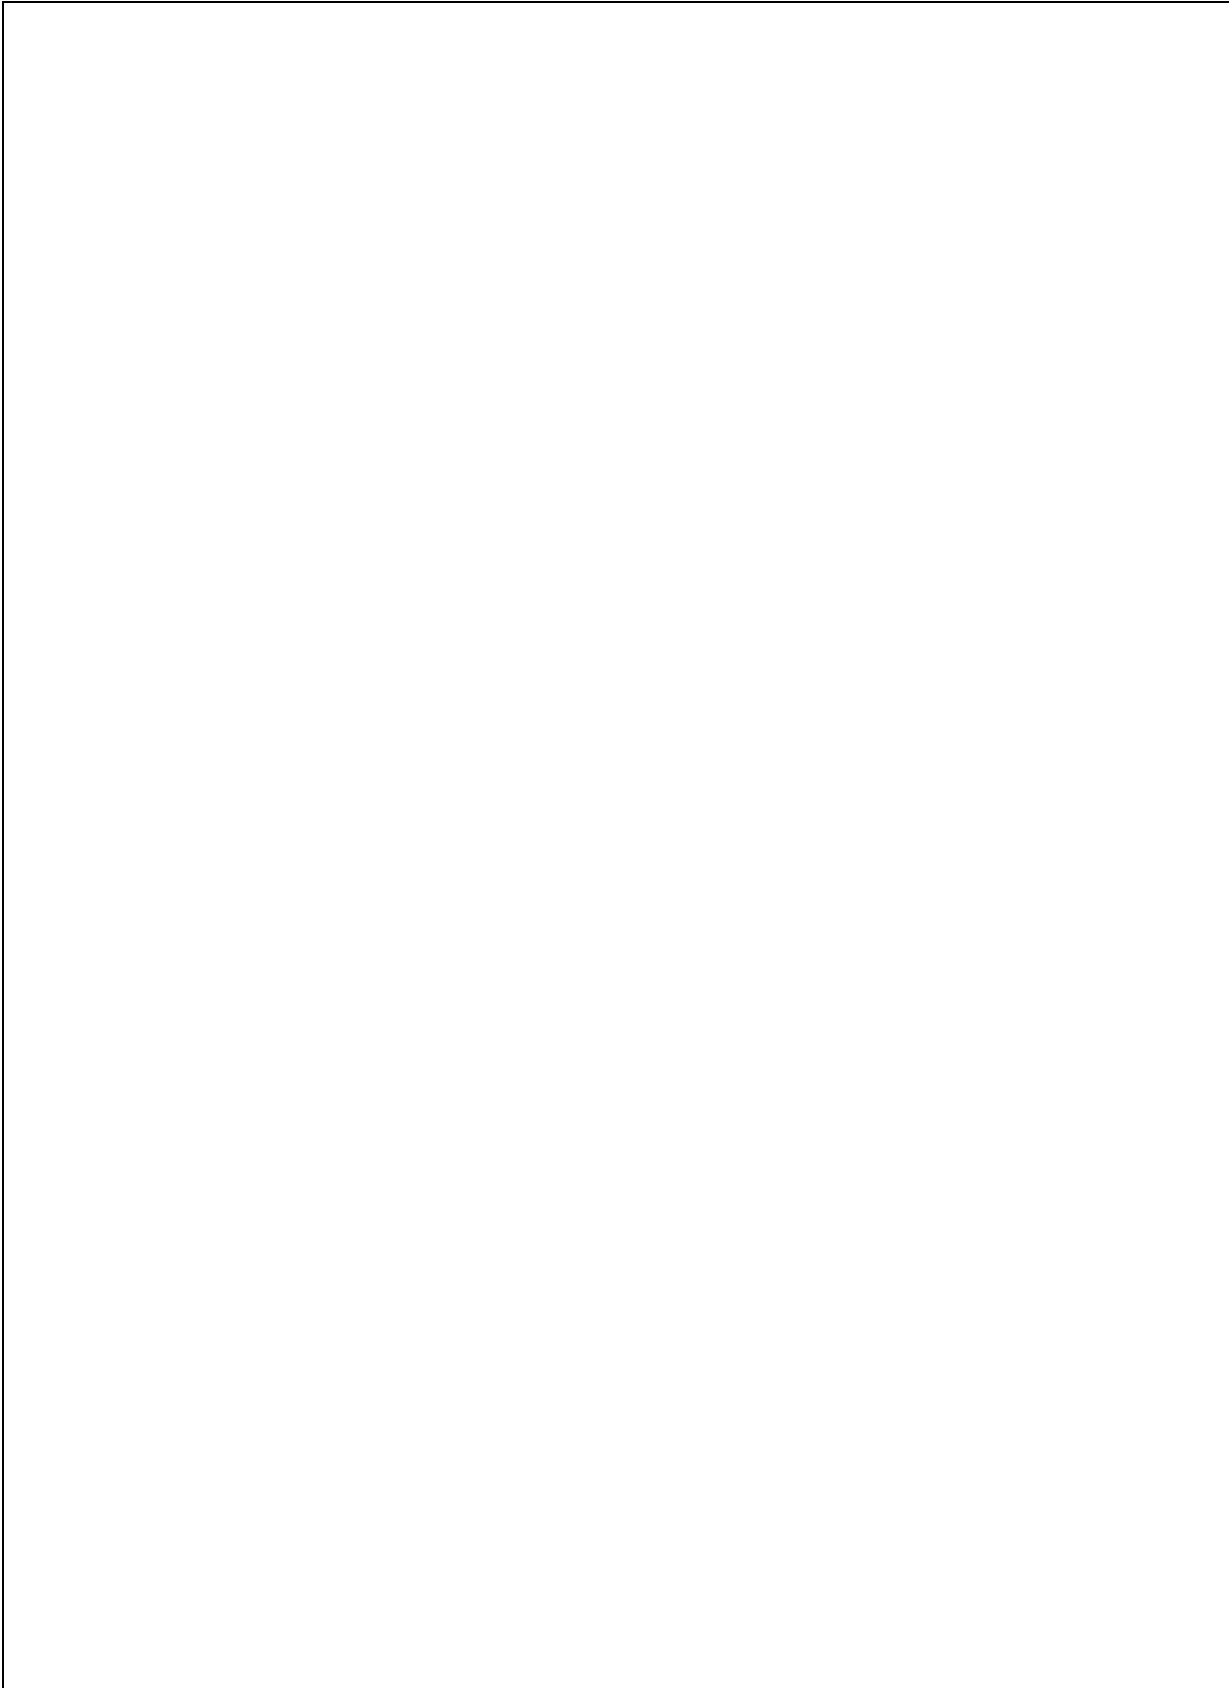

--

**Innovative and structuring nature of the FHU (Max 1400 characters including spaces)**

--

**Attractiveness and expected recruitment** (scope, perimeter and catchment area, geography, patient cohorts, biobanks, etc.)( **Max 900 characters including spaces**)

**Project description (no more than 3 pages, Arial font 10, single space)**

## Partnership

**Is a partnership with non-hospital based healthcare providers being considered?**

Yes       No

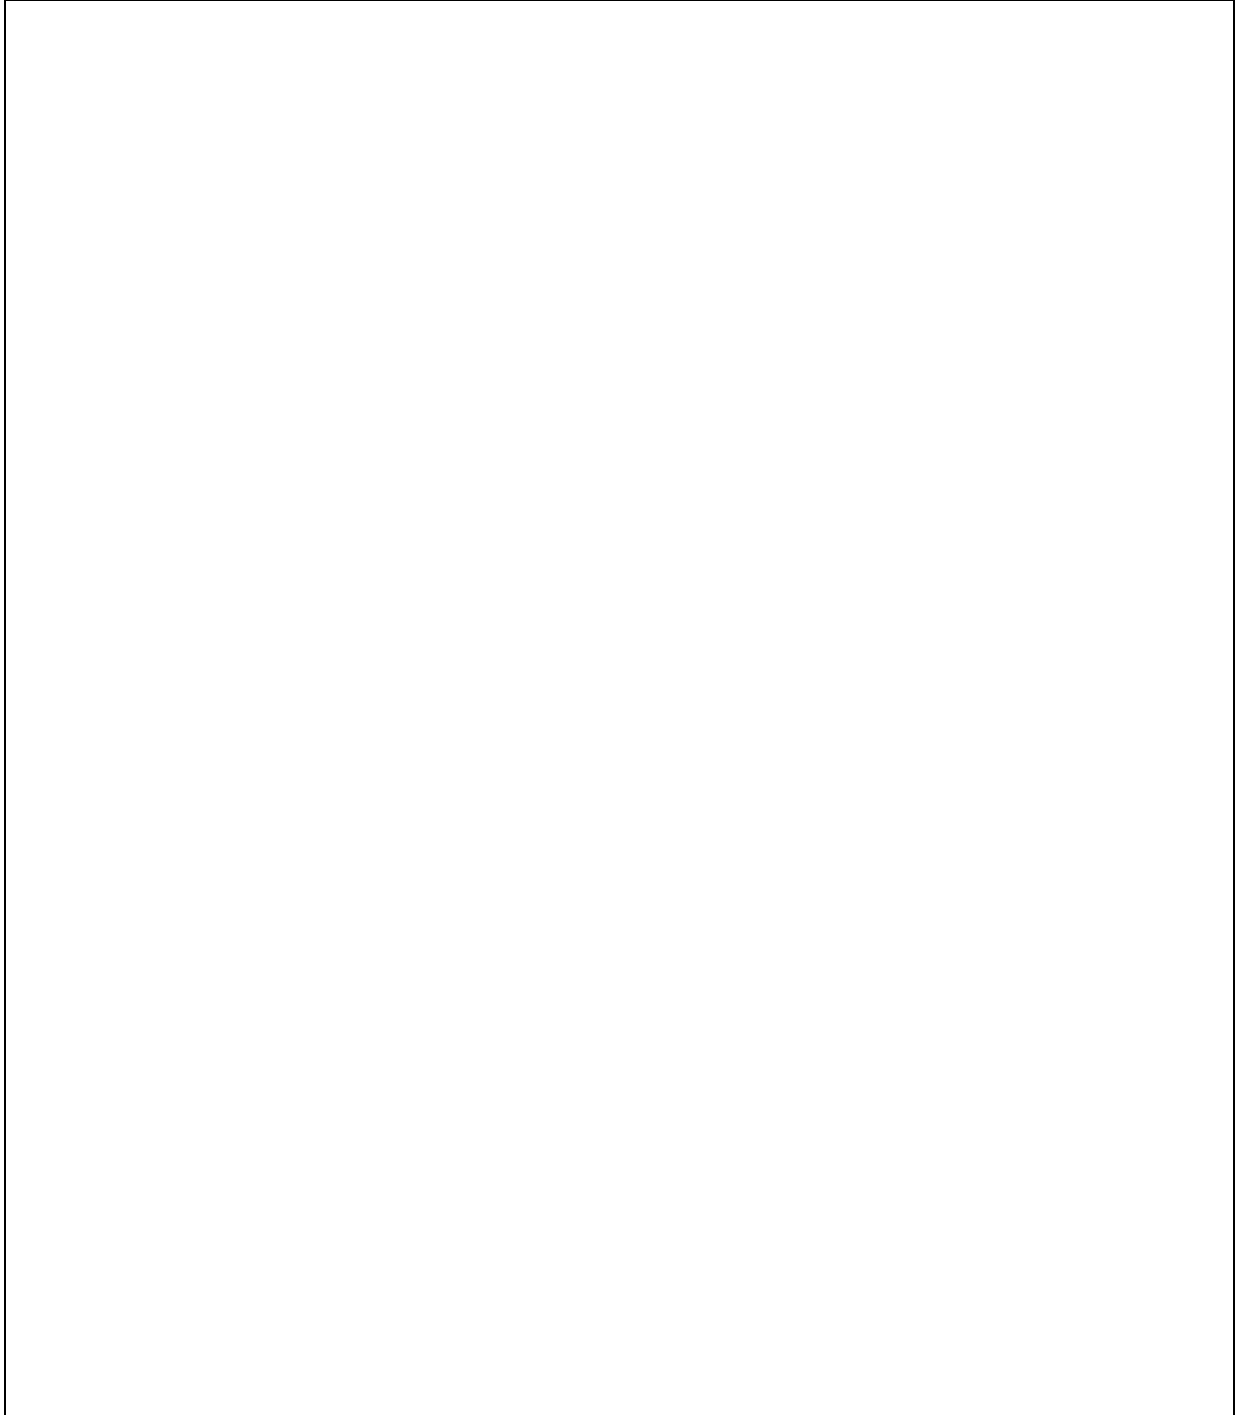

If yes, provide additional information:

**Is a partnership with a GHT being considered?**       Yes       No

If yes, present the partnership:

**Integration of the project into the strategic research axes of APHP and GH, INSERM and Universities (Max 1400 characters including spaces)**

**Timetable, deliverables and other proposed indicators (max 1 page, Arial font 10, single space)**

**FHU governance (max 1 page, Arial font 10, single space)**

Empty box for FHU governance content.
